

The Burrowing Owl - 30-Second – Captioned for the Visually Impaired

MUSIC: "HINTERLAND WHO'S WHO" THEME

SOUND: OWL HOOTING AND CRICKETS CHIRPING

ANNOUNCER (V.O.):

Unlike most owls which nest high up, the burrowing owl makes its home underground in burrows abandoned by other animals.

[Burrowing Owl on the ground]

Once common to the Canadian Prairies, this owl is now on Canada's list of wildlife species at risk.

[Burrowing Owl flying]

But researchers and landowners are working to change that.
