

Species at Risk - 30-Second – Captioned for the Visually Impaired

MUSIC: "HINTERLAND WHO'S WHO" THEME

ANNOUNCER (V.O.):

The barn owl, the swift fox, the Newfoundland marten. These are just a few of the species at risk in Canada today.

[A barn owl on a tree, a swift fox in the snow and a Newfoundland marten in the snow]

Human activities are threatening their habitat. But the good news is we can all do things to better coexist with wildlife.
